

# Week 4 Unit 3:

# Writing Unit Tests with QUnit

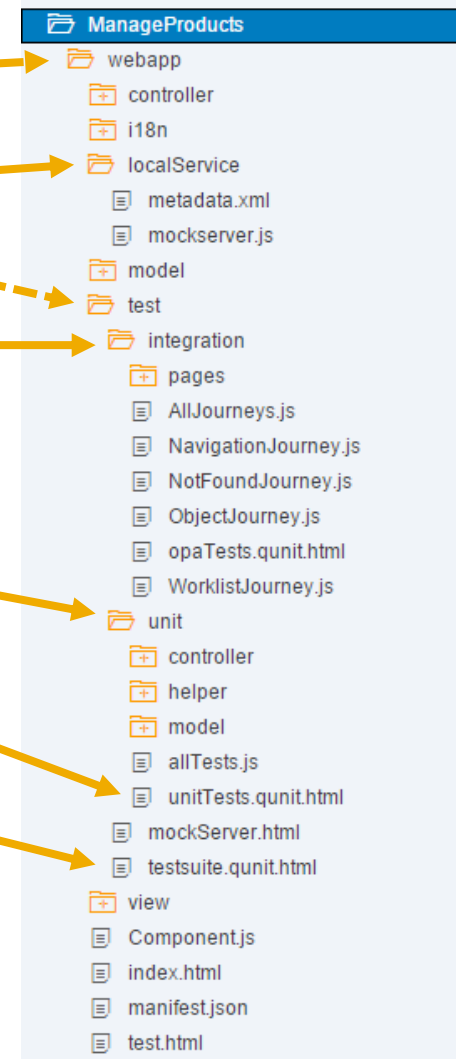

# Writing Unit Tests with QUnit

## Testing features shipped with the template

- Clear separation of test and production code
- Mock server setup with recommended options
- Integration test setup (OPA) and basic test coverage
- Unit test setup (QUnit) and basic test coverage
- A separate HTML test page to call the app with mock data
- A test suite that calls all your unit and integration tests

**Ready to be extended with your tests for new features!**
